Sonic The Hedgehog - The Master System Saga

Chapter 1 - Green Hill Zone

One day on South Island, a speedy blue hedgehog wearing red sneakers with a white stripe was running about until he had stopped on a sign which was pinned on a palmtree just outside the entrance to Green Hill Zone. The sign read: Dear Blue Hedgehog, I have turned your pals into robot animals which I call Badniks. The only way to free them is to defeat my enemies. Hahahaha. Signed Dr. Robotnik. P.S. Somehow and I don't know why but I have left six gems laying around, can you collect them so you can give them to me?

Sonic picked up the note and was wondering why the Eggman knew his background until he figured out that a month ago, he was battling the dictator in the Final Zone on the Mega Drive version. The blue hedgehog scrunched up the note and tossed it into a nearby bin, quickly he had entered the Green Hill Zone with a sign that said: Welcome Sonic to Green Hill.
